Space Racers!

Spring 2015 Mobile Apps

Ages: 3 - 6 yrs.

Developer: [Space Race, LLC](#)

Platform: iPad

Review:

The *Space Racers* app, is a fun way to play with the characters (Eagle, Robyn, Hawk, and Starling) from the preschool TV show of the same name. Young flyer/players try their hand (or fingers in this case) at the wheel of cause and effect as they pilot friendly spaceships through an obstacle course - and try not to run out of fuel. We're pleased to note that the 32 rounds of game play are devoid of in-app purchases, advertising, external links and social media. Just launch and play.
