NEW MOON
Great time to do some night sky watching!

NASA astronaut Susan Helms set a new world record in 2001 when she performed an 8-hour-and-56-minute spacewalk from the International Space Station.

6
Space Racers has landed on Amazon Prime Video and YouTube Kids!

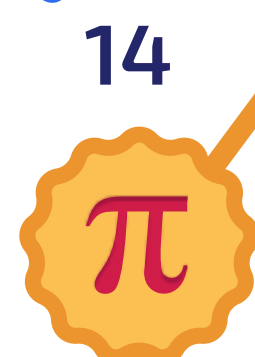

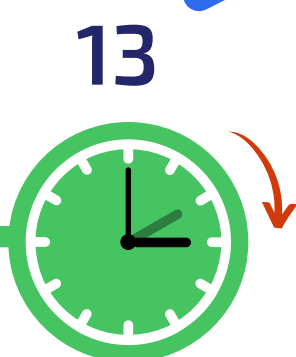

8
It's Pi Day (3.14)! Pi is the ratio of a circle's circumference to its diameter. How many circles can you find around your house?

10
1ST QUARTER MOON

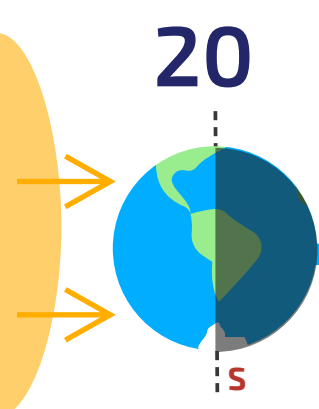

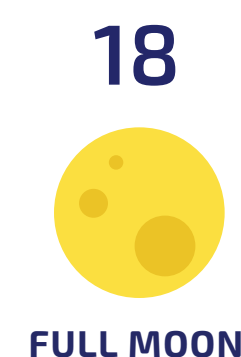

Venus and Mars will appear close together in the dawn sky before sunrise

Daylight Saving Time starts so don't forget to turn your clocks forward one hour!

Norman Thagard became the first American to visit the Russian space station Mir on this day in 1995

March Equinox: Spring arrives in the Northern Hemisphere and Fall begins in the Southern Hemisphere
